For the avoidance of doubt, this designation is in addition to the existing designations of the Board to issue shares (to the extent still available) as resolved by the general meeting held on September 10, 2021.

Item 5: Amendment of the articles of association of Lilium and granting of a proxy to each of the directors of the Company and employees of Freshfields Bruckhaus Deringer LLP, Amsterdam office, in having the deed of amendment executed (*voting item*)

This agenda item proposes to partially amend the articles of association of Lilium to (i) reflect the intended mechanism for conversion of shares B into shares A and shares C (which mechanism was disclosed in the Proxy Statement/Prospectus filed with the U.S. Securities and Exchange Commission on August 11, 2021 (Registration No. 333-255800) (the **Prospectus**)) and to bring the articles of association in line with market practice for Dutch listed companies.

For the literal text of the proposed amendment, reference is made to the double-column text with explanatory notes per article. This proposal includes a proxy to each member of the Board, as well as each (deputy/assigned) civil law notary, lawyer and practice support lawyer officiating with Freshfields Bruckhaus Deringer LLP, Amsterdam office, to execute the deed of amendment of the articles of association of Lilium.

Item 6: Reduction of issued share capital by a cancellation of 375,000 shares B held by the Company in treasury (voting item)

In accordance with article 11 of the articles of association of Liliium, it is proposed to reduce the issued capital of the Company by a cancellation of 375,000 shares B, numbered B-24,038,066 through 24,413,065, each share having a nominal value of EUR 0.36, currently held by the Company in treasury.

On August 3, 2022, Mr. Daniel Wiegand and the Company entered into a Deed of Repurchase of Class B Shares and Transfer of Class A Shares (the **Repurchase and Transfer Agreement**). As of the date of the Repurchase and Transfer Agreement, Mr. Wiegand held all of the 24,413,065 issued and outstanding shares B. Pursuant to the terms of the Repurchase and Transfer Agreement, on August 3, 2022, Mr. Wiegand transferred 210,000 shares B, each share having a nominal value of EUR 0.36, back to the Company. In exchange, the Company transferred 210,000 shares A, each share having a nominal value of EUR 0.12, to Mr. Wiegand out of its treasury. Pursuant to the terms of the Repurchase and Transfer Agreement, on August 31, 2022, Mr. Wiegand transferred 165,000 shares B, each share having a nominal value of EUR 0.36, back to the Company. In exchange, the Company transferred 165,000 shares A, each share having a nominal value of EUR 0.12, to Mr. Wiegand out of its treasury.

Following such series of transfers, 375,000 shares B, numbered B-24,038,066 through 24,413,065, are currently held by the Company in treasury and none of the shares A are currently held by the Company in treasury. These transactions were entered into in order to enable Mr. Wiegand to convert his shares B into shares A as disclosed in the Prospectus. Since the Company does not intend to transfer any of its shares B held in treasury in the future, it is now proposed to cancel the 375,000 shares B held by the Company in treasury. The aggregate nominal value of the 375,000 shares B will be added to the distributable reserves of the Company. There are no other holders of shares A, shares B or shares C who will be affected by this cancellation of shares B.

The cancellation will take place on the date as determined by the Board taking into account the required objection period of two months.

CURRENT TEXT

Article 1. Definitions.

1. **"Transfer"** means: any direct or indirect sale, assignment, transfer under general or specific title (*algemene of bijzondere titel*), conveyance, grant of any form of security interest (other than as explicitly provided in this definition), or other transfer or disposition of a Share or any legal or beneficial interest therein (including, for the avoidance of doubt, by way of a synthetic transfer or total return swap), whether or not for value and whether voluntary or involuntary or by operation of law. A "Transfer" of a Share B shall also include, without limitation, the transfer of, or entering into a binding agreement with respect to, voting control over a Share B by proxy or otherwise; provided, however, that the following shall not be considered a "Transfer" of a Share B: (a) the granting of a power of attorney to persons designated by the Board in connection with actions to be taken at a General Meeting; (b) the pledge of Shares B by a Qualified B Holder that creates a mere security interest in such Shares B pursuant to a bona fide loan or indebtedness transaction as long as the Qualified B Holder continues to exercise voting control over such pledged shares; provided, however, that a foreclosure on such Shares B or other similar action by the pledgee shall constitute a "Transfer" of a Share B;

PROPOSED AMENDMENT

Article 1. Definitions.

1. **"Transfer"** means: any direct or indirect sale, assignment, transfer under general or specific title (*algemene of bijzondere titel*), conveyance, grant of any form of security interest (other than as explicitly provided in this definition), or other transfer or disposition of a Share or any legal or beneficial interest therein (including, for the avoidance of doubt, by way of a synthetic transfer or total return swap), whether or not for value and whether voluntary or involuntary or by operation of law. EXPLANATORY NOTES

"Or" has been added between (a) and (b) in order to clarify that the actions described in either clause (a) or clause (b) are not considered a "Transfer" of a Share.

Article 4. Capital. Class Share Premium Reserve. Joint ownership.

3. At the time of conversion of Shares B into Shares A and Shares C referred to in article 4A, the authorized capital shall decrease by the number of Shares B converted and increase by the number of Shares A and Shares C converted.

Article 4A. Transfer and conversion of Shares B.

2. An Initial Qualified Holder may at any time convert (all or part of) its Shares B into one (1) Share A and one (1) Share C for each Share B. The Initial Qualified Holder shall send a written notice to the Non-Executive Directors of the relevant conversion. The business day following the date of the written notice shall be considered as the date of such conversion.

This paragraph has been deleted as it conflicts with Dutch law. As a result of this deletion, the current article 4 paragraphs 4 through 8 (and any reference thereto) will be renumbered to article 4 paragraphs 3 through 7.

This amendment provides a share conversion mechanism that does not require approval or consent of the board of directors as such conversion mechanism was agreed and disclosed in the Proxy Statement/Prospectus filed with the U.S. Securities and Exchange Commission on August 11, 2021 (Registration No. 333-255800).

As a result of this addition, the current article 4A paragraphs 2 through 8 (and any reference thereto) will be renumbered to article 4 paragraphs 3 through 9.

**Article 6. Issue of Shares. Authorized body.
Conditions of issue.**

5. When Shares are acquired the amount of their nominal value must be paid at the same time and, in addition, if the Share is subscribed at a higher amount, the difference between such amounts. It may be agreed that part of that amount, such part not to exceed three fourths (3/4th) of the nominal value of the Shares, may remain unpaid until the Company shall make a call in respect of the monies unpaid on the Shares. Such arrangement may only be agreed prior to the resolution to issue Shares and shall require the approval of the body of the Company which has the authority to resolve to issue.

**Article 6. Issue of Shares. Authorized body.
Conditions of issue.**

6. Calls upon the Shareholders in respect of any monies unpaid on their Shares shall be made by the Board.

This amendment is to align with customary market practice of Dutch listed entities.

The current article 6 paragraph 7 (and any reference thereto) will be renumbered to article 6 paragraph 6.

Article 13. One-tier Board.

2. The Board of Directors shall initially, as of the Closing Date, subject to the provisions of the following sentence, consist of a minimum of five (5) persons and a maximum of nine (9) persons, of whom one (1) shall be an Executive Director and the others shall be Non-Executive Directors. The total number of Directors, the total number of Executive Directors and the total number of Non-Executive Directors, may be increased or decreased pursuant to a resolution of the Board approved by a majority vote of all of the Directors, and a majority vote of all of the Non-Executive Directors, then in office. A decrease in the number of Directors, or in the number of Executive Directors or Non-Executive Directors, shall not result in a decrease in the term of office of any Director in office at the time of such decrease in the number of Directors.

Article 14. Appointment and nomination. Suspension and dismissal. Remuneration.

5. If a nomination has not been made or has not been made in due time, this shall be stated in the notice and the General Meeting shall be free to appoint a Director at its discretion. A resolution to appoint a Director that was not nominated by the Board, may only be appointed by a two thirds (2/3rd) majority of the votes cast, provided such majority represents more than half the issued share capital. With regard to subjects referred to in this paragraph and the previous paragraph, a second General Meeting may not be convened pursuant to Section 2:120 paragraph 3 DCC.

Article 13. One-tier Board.

2. The total number of Directors, the total number of Executive Directors and the total number of Non-Executive Directors, may be increased or decreased pursuant to a resolution of the Board approved by a majority vote of all of the Directors, and a majority vote of all of the Non-Executive Directors, then in office. A decrease in the number of Directors, or in the number of Executive Directors or Non-Executive Directors, shall not result in a decrease in the term of office of any Director in office at the time of such decrease in the number of Directors.

Article 14. Appointment and nomination. Suspension and dismissal. Remuneration.

5. If a nomination has not been made or has not been made in due time, this shall be stated in the notice and the General Meeting shall be free to appoint a Director at its discretion. A resolution to appoint a Director that was not nominated by the Non-Executive Directors, may only be appointed by a two thirds (2/3rd) majority of the votes cast, provided such majority represents more than half the issued share capital. With regard to subjects referred to in this paragraph and the previous paragraph, a second General Meeting may not be convened pursuant to Section 2:120 paragraph 3 DCC.

This amendment is to provide the board of directors with flexibility in relation to the composition of the board. Reference to the "Closing Date" has also been removed as it is no longer relevant.

The term "Board" has been revised to "Non-Executive Directors" to be consistent with the rest of the paragraphs, since the binding nomination of a Director will be made by the Non-Executive Directors and not by the Board.

Article 18. Representation. Proxy holders

1. The Board shall be authorized to represent the Company. The Company shall also be represented by the Executive Director or by any two Directors acting jointly.

Article 22. Profits and loss.

1. The profits of the Company appearing from the annual accounts adopted by the General Meeting shall be at the disposal of the General Meeting. The Board shall make a proposal to the General Meeting which amount of the profit shall be allocated to the Company's profit reserves and which amount of the profit shall be available for distribution.

Article 22. Profits and loss.

1. From the profits, shown in the annual accounts, as adopted, the Board shall determine which part shall be reserved. Any profits remaining thereafter shall be at the disposal of the General Meeting. The Board shall make a proposal for that purpose.

“The Executive Director” has been revised to “any Executive Director acting solely” for clarification, since it is proposed to appoint Mr. Roewe as a second Executive Director next to Mr. Wiegand.

This amendment is to align with customary market practice of Dutch listed entities.

Article 22. Profits and loss.

2. The Company may distribute profits only if and to the extent that its shareholders' equity is greater than the paid and called-up part of the issued capital plus the reserves which must be maintained by virtue of the law or the articles of association.

Article 22. Profits and loss.

8. The General Meeting declaring a dividend may, upon proposal of the Board, decide that dividend will be distributed, wholly or partly, other than in cash.

Article 22. Profits and loss.

9. The General Meeting is authorized to reserve the profits to which the Shareholders are entitled, wholly or partly, for their benefit.

Article 23. General Meetings.

4. Notice of the General Meeting shall be given by the Board, subject to a time limit and in accordance with the applicable statutory provisions and stock exchange regulations; notice to holders of Shares and to usufructuaries and pledgees of Shares who are entitled to vote shall also be given by means of letters sent by registered post or by regular post.

Article 22. Profits and loss.

2. Distribution may only be made if and to the extent that its shareholders' equity is greater than the paid and called-up part of the issued capital plus the reserves which must be maintained by virtue of the law or the articles of association.

Article 22. Profits and loss.

Article 24. The entire issued capital is represented. Records.

1. Valid resolutions in respect of matters which were not mentioned on the agenda in the notice of General Meeting, or which have not been properly published, or in respect of which there has been no due observance of the period set for notice, can only be taken by unanimous votes in a General Meeting where the entire issued capital is represented.

2. If a Qualified B Holder elects to participate in a pre-emptive issuance of Shares that includes Shares A and/or Shares B, then, for so long as such person remains a Qualified B Holder, such Qualified B Holder shall be issued Shares B in lieu of any Shares A.

If a holder of Shares A elects to participate in a pre-emptive issuance of Shares that includes Shares A and/or Shares B, such holder of Shares A shall be issued Shares A in lieu of any Shares B.
3. No pre-emption rights shall apply in respect of an issuance of Shares C.
4. The pre-emptive right may be restricted or excluded by a resolution proposed by the Board and adopted by the General Meeting. If the Board has been designated as the body authorized to issue Shares, the General Meeting may by resolution also designate the Board for a period not exceeding five (5) years as the body authorized to restrict or exclude the pre-emptive right. This authorization may from time to time be extended for a period not exceeding five (5) years. Unless otherwise stipulated at its grant, the authorization cannot be withdrawn.

5. A resolution of the General Meeting to restrict or exclude the pre-emptive right or to designate the Board as referred to in paragraph 4 of this article requires a majority of at least two-thirds (2/3rd) of the votes cast, if less than half of the issued capital is represented at the General Meeting.
6. The Company announces the issue of Shares with pre-emption right and the period in which the pre-emption right may be exercised in the Dutch State Gazette (*Staatcourant*) and in a nationally distributed daily newspaper, unless the announcement is made to all Shareholders in writing to the addresses as provided by them.
7. The pre-emption right may be exercised during the period to be determined by the body authorized to restrict or exclude the pre-emptive right. Such period to be at least two (2) weeks from the day following the date of announcement in the Dutch State Gazette or dispatch of the announcement to the Shareholders.
8. The provisions of the preceding paragraphs of this article shall apply *mutatis mutandis* to the granting of rights to acquire Shares, but shall not apply to the issue of Shares to one who exercises a previously acquired subscription right.

Article 8. Acquisition by the Company of own Shares.

If more than six (6) months of a financial year have passed without the annual accounts having been adopted, the acquisition of own Shares under paragraph 2 of this article shall not be permitted until such time as such most recent annual accounts have been so adopted.
4. The authorization of the General Meeting, referred to in paragraph 2 of this article, which shall be valid for a maximum of eighteen (18) months only, must specify how many Shares are permitted to be acquired, the manner in which they may be acquired and the permitted upper and lower limits of the price.
5. The preceding paragraphs of this article shall not apply in respect of (i) Shares which the Company may acquire gratuitously or by universal succession and (ii) Shares that are admitted to trading on a Regulated Market which are acquired for the purpose of distribution of such Shares to employees of the Company and/or its Subsidiaries pursuant to an employee option plan.

6. Any acquisition of Shares made in breach of the provisions of paragraph 2 of this article shall be null and void.
7. Shares owned by the Company or its Subsidiaries shall not bear any voting rights.

Article 9. Joint ownership of Shares.

If through any cause whatsoever one or more Shares are jointly held by two or more persons, such persons may jointly exercise the rights arising from those Shares, provided that these persons be represented for that purpose by one from their midst or by a third party authorized by them for that purpose by a written power of attorney. The Board may, whether or not subject to certain conditions, grant an exemption for the provision of the previous sentence.

Article 10. Formalities on the issue and transfer of Shares.

1. Unless these articles of association provide otherwise, the issue and transfer of Shares or the transfer of a limited right thereon shall require a deed drawn up for that purpose, executed before a civil-law notary registered in the Netherlands.
2. If Shares are admitted to trading on a Regulated Market, the transfer of such Share or of a limited right (*beperkt recht*) thereto shall require an instrument intended for such purpose and, save when the Company itself is a party to such legal act, the written acknowledgement by the Company of the transfer. The acknowledgement shall be made in the instrument or by a dated statement on the instrument or on a copy or extract thereof mentioning the acknowledgement signed as a true copy thereof by a civil-law notary or the transferor. Service of such instrument of transfer, copy or extract on the Company shall be deemed to constitute such acknowledgement.
3. Following a transfer referred to in this article, the rights attached to the Shares concerned may not be exercised until the instrument of transfer has been served upon the Company or until the Company has acknowledged the transaction in writing or has been deemed to have acknowledged such transaction.
